

Donor-Advised Fund Checklist for Advisors

We understand that charitable giving is an important part of a donor's overall financial plan. That's why we have created this checklist for advisors who want to help their clients give from a donor-advised fund (DAF) to Hillsdale College.

- Speak with your client about how they might like to designate their gift according to what they are passionate about. Our team can provide a list of initiatives and impact areas that match your client's interests.
- Determine the best way for your client to structure a gift from their DAF. Depending on the size of the gift and the project they would like to support, donors may want to consider a combination of outright gifts and multi-year pledges.
- Ask your client if they would like to make Hillsdale College an ultimate beneficiary of their DAF. Doing so will allow them to create their legacy of defending liberty through education.
- When coordinating a grant to Hillsdale College with your client's DAF custodian, please reference the following information:

Hillsdale College
33 E. College Street, Hillsdale, MI 49242
Phone: (517) 607-2768

We are here to help you and your clients give with confidence. If you have any questions or need assistance, please do not hesitate to contact us. We look forward to working with you.
